## ABOUT

Welcome to The Gallivanting Spoon, I am Allyson, a food and travel enthusiast that loves to eat and roam the world. I have a hunger for organizing, planning, and well, eating of course!

My biggest joys in life are to see the small details fit together to make one big picture, I call it my "puzzle drive". My goal is to complete the travel puzzles for my readers and guide them to mouth-watering restaurants and unique hotels around the world.

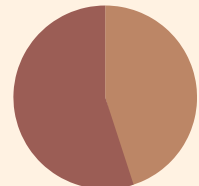

## BLOG STATISTICS & AUDIENCE

65% of my audience lives in the USA, 61% of my readers are between 18-34 years old, with 4,200+ views each month.
